

Certificate of Equity Eligible Contractor Status

Conferred Upon
Jesse Adam Lassiter

This Certificate evidences that
Top Solar Energy LLC
is an officially certified
Equity Eligible Contractor Subcontractor

within the Illinois Shines program (statutorily known as the Adjustable Block Program), having met the Program requirements outlined in the current Long-Term Renewable Resources Procurement Plan and detailed in official Program materials. Illinois Shines is overseen by the Illinois Power Agency and its Program Administrator, Energy Solutions.

All participating entities must remain compliant with Program requirements, and the Program website provides reports against which the active status of vendors may be verified. The EEC may renew their status annually, and such status will be retained if they continue to meet the eligibility requirements of the designation and remain in good standing.

Issued: August 26, 2026

Expires: December 31, 2026
